ABOUT GPMB 2025

You're invited to the 10th Edition of the Global Conference on Plant Science and Molecular Biology (GPMB 2025), taking place in Valencia, Spain, and virtually from September 8-10, 2025. Discover the latest advancements in crop varieties, crop protection, and the pivotal role of plant science in global health. GPMB 2025 serves as a key platform for plant systems science research, promoting collaborations and the integration of emerging technologies. Join plant biologists from around the world to share groundbreaking research, inspire future generations, and engage in plenary talks, keynote sessions, and presentations. Don't miss this unique opportunity to drive collaborative efforts in the field of plant science!
